

January – March 2010

Luke 10:2 Therefore said he unto them, The harvest truly is great, but the labourers are few: pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest.

Hello to all! We want to thank you for your prayers and support for us during these last three months. There have been several things that we want to share with you that God has done for us and through us these past three months!

One of the things that have happened in the last few weeks is my dear wife was able to lead two young ladies to the Lord. We praise the Lord for being able to be used here. Please pray for these two young ladies as they begin their walk with the Lord and that we will be able to reach back into the families as well.

The second thing that has happened here is the Lord has answered your prayers on our behalf. Last prayer letter we asked that you pray with us as we try to get into the prisons. God has opened the door and allowed us access to two of them so far. I did not know that dealing with chaplains would be this difficult. Please continue to pray that the other doors will open soon. There is one that we would like to see open very soon that is around thirty minutes from where we live. This is a privately owned facility that is considered a federal prison. It is home to some one thousand and three hundred inmates. There is a great need for the Gospel in this facility. The real urgency is the fact that eleven hundred of these folks are Spanish speaking inmate! This facility is like a holding tank for the Northeast here for those who will be deported. I have not been able to get the statistics on how fast the turnover is in this facility but I do see the need to get in as soon as possible. So, please keep praying for this facility in particular.

The last thing I want to share is the goodness of God in supplying around 35,000 pieces of Gospel literature in the English language. As I have stated before, these folks that God has called and sent here to reach are our neighbors and we began to see real quick that we would need to give the Gospel to them as well. So, the Lord has provided enough material for us to reach each home in this city with the Gospel. "Every Creature Needs A Preacher"! We were able to borrow a truck this past weekend and run down to Virginia to pick them up. So pray as we team up with others in the area to get the Gospel out to EVERYONE!

On a family note, please pray for Jacob. He is finishing up his last year of high school and will be graduating in June. Please pray for God's leading. That he will know what the exact will of God is for his life. Currently he has plans of attending a Christian college with the intent of being a dentist. So please join us over the next few weeks that God will nail this down in his heart.

1Cor 3:9 For we are labourers together with God: Thank you again for all you do in serving Him. God Bless you!

Until next time....For His Glory, *The Whitfield Family!*
