

Christmas Blessings

October – December, 2009

Dear Pastor and Church Family,

As we come to the time of year when we remember the birth of our Savior, we realize that this is the sole purpose for the work that He has called us to do. To tell others of the Savior who was born of a virgin to come and die on the cross for our sins, for the sins of the world.

It has been a great year; we have seen God do so many things in bringing us to this point. During the month of November, the Lord allowed us to see a mother and her son come to Christ. We praise the Lord for His goodness to us. A lot of the Spanish folks have left the area for a short time due to the weather, but will return in a month or so. We have been in contact with those who left and had been coming to the Bible studies. One man, who got assurance of his Salvation, called at the beginning of the month and told me he was with some other men and wanted me to explain the difference between “thinking” and “believing”. So, I was able to share the same Scripture with them that we used with him the day he got assurance of his Salvation. Please continue to pray for those men down in Florida.

As we look forward to the New Year, we are praying that God opens the door in some of the local prisons. Many Spanish speaking folks come here by way of the local jails. We are praying that God will open the door of opportunity to use us there. All though we have seen several saved in the six months that we have been here a lot of those people have been “English Speaking”. The funny thing about it is that most of them have Spanish speaking ties. One example is the ladies we have been working with. They both have husbands that speak Spanish. We thank God for the opportunity to represent Christ for you in this spiritually dark place.

We want to thank you for your prayers, love, and financial support. Thank you for your partnership in reaching these precious people with the Gospel. We want to wish you all the best Christmas ever; as you look at the greatest gift ever received in your lives as well as a great New Year. We are praying for all of you. God Bless!

For His Glory,
